

Empowering Women: *Building for Your Future*

Save The Date!
October 25, 2024

Women continue to rise as strong leaders and achieve success through education and training. Are you being proactive to ensure everything runs smoothly and you are prepared for your future?
Do you need some help to build a sustainable future?

Be sure to join us October 25, 2024, for an engaging and enlightening **VIRTUAL** one-day event from the convenience of your home or office.

Topics to help build your future will include Strategic Planning, Coaching, Resilience, Resume writing/updating, Interview skills, and so many more!

You do not want to miss this outstanding **Virtual** training!

Hosted by Federally Employed Women
Pacific Northwest Region of Alaska - Idaho - Oregon - Washington
